

# Game Classification

## Update #46

### August 2009

*Welcome to the Office of Film and Literature Classification's monthly newsletter on electronic game classifications.*

#### **July 2009 classifications**

In July the Office classified one game:

- ***Fallout 3: The Pitt/Operation Anchorage (aka Fallout 3: Quest Pact 1)***

R18 Graphic violence and offensive language

An excel spreadsheet with all games classified in New Zealand is attached to this email. The new classification for July is highlighted on a separate worksheet.

#### **Game retailers tested**

The TV3 show *Target* recently conducted an undercover test to see if retail stores were prepared to sell R18 video games to underage people. It was great to see many of the stores tested refusing the sale and showing their awareness and understanding of the classification law.
